

# GET ENERGIZED FOR SUMMER

Come have an energy scan or reading done by Nicole Lanning, and hear her speak about topics such as astral cords, anchors, intrusions, imprints, blockages, and much more. Nicole will connect through her own spirit guides to read your energy at the event to find out what is causing your physical issues, ailments, or problems and how to treat them on an energetic level. Due to the length of the event and the connections that are made, Nicole cannot guarantee that everyone who attends will receive an energy scan or reading.
